

Learn to Water Ski on a Beginners' Day!

Fancy learning to water ski? Confident in water? Then why not join us on one of our Beginners' Days.

For just £70 (per person) you'll have the opportunity to take to the water three times during the course of the day. All equipment will be provided free of charge and our experienced coaches will be on hand to help and assist you.

As the day is specifically for novices, you'll find others around you who are also new to the sport to share in the fun. You just need a packed lunch, towel, warm clothing and that have-a-go spirit!

The days are run only if there is sufficient demand and therefore, if we have to cancel a day, we will offer you an alternative date or refund your fee.
